

Executive Director Decision

**DECISION N° 2024/011/ED
OF THE EXECUTIVE DIRECTOR OF THE AGENCY
of 07 June 2024**

on the extension of the validity of the Decision n° 2022/030/ED of the Executive Director of 16 November 2022 recognising that the system of the State of Israel includes the same independent level of checking of compliance in the field of production as provided by Commission Regulation (EU) No 748/2012

THE EXECUTIVE DIRECTOR OF THE EUROPEAN UNION AVIATION SAFETY AGENCY,

Having regard to Commission Regulation (EU) No 748/2012 of 3 August 2012 laying down implementing rules for the airworthiness and environmental certification of products, parts and appliances, as well as for the certification of design and production organisations¹, and in particular Article 9(2) thereof,

Having regard to Decision 2022/029/ED of the Executive Director of the Agency of 16 November 2022 on the acceptance of foreign production, and in particular Article 5(3) thereof.

Whereas:

- (1) The Decision n° 2022/030/ED of the Executive Director of 16 November 2022 recognising that the system of the State of Israel includes the same independent level of checking of compliance in the field of production as provided by Commission Regulation (EU) No 748/2012 is applicable for a period of 18 months that is until 18 May 2024, which can be extended.
- (2) Considering that the consultations between the European Union and the State of Israel on a future aviation safety agreement are still ongoing.

HAS DECIDED AS FOLLOWS:

Article 1

1. The validity of the Decision n° 2022/030/ED of the Executive Director of 16 November 2022 is extended for an additional period of 18 months, starting as of 19 May 2024, with the possibility of a further extension. When assessing the need for a further extension of validity of Decision n° 2022/030/ED, the Executive Director will take into consideration the progress made in the consultations between the European Union and the State of Israel on a future aviation safety agreement.

¹ Commission Regulation (EU) No 748/2012 of 03/08/2012 laying down implementing rules for the airworthiness and environmental certification of aircraft and related products, parts and appliances, as well as for the certification of design and production organisations (OJ L 224, 21.8.2012, p.1-85 - EASA Part 21), as last amended.

2. Notwithstanding the validity period defined in paragraph 1, the Decision n° 2022/030/ED of the Executive Director of 16 November 2022 will cease to apply on the date of the entry into force or provisional application of an aviation safety agreement between the European Union and the State of Israel.

Article 2

1. This Decision shall be published in the Official Publication of the Agency and shall enter into force on the day of its publication.
2. This Decision shall be notified to:
 - a) Civil Aviation Authority of Israel,
 - b) manufacturers listed in Annex 1 of Decision N° 2022/030/ED,
 - c) national aviation authorities of Member States, and
 - d) European States which participate in the work of EASA and apply Commission Regulation (EU) No 748/2012 and its Annex (Part 21) in accordance with international agreements concluded with the European Union.
