

EASA Certification Information

No.: 2025-01
Issued: 23 January 2025

Subject: Notification of intention to surrender of EASA Type Certificate No. EASA.A.397 affecting HS 748 models

Certificate No: EASA.A.397

Issue Date: 15 January 2015

Issued by: European Union Aviation Safety Agency

Holder of the Certificate: BAE SYSTEMS (OPERATIONS) LIMITED

Model: HS 748 Series 1, 2, 2A and 2B

Background: The current holder of Type Certificate (TC) EASA.A.397 has planned to surrender its TC for the HS 748 Series 1, 2, 2A and 2B models, informing EASA that these models are no more produced and that, to their knowledge, only few aircrafts are being operated. Consequently, they intent to surrender the TC of this aircraft type in a short-term period.

In accordance with the applicable EASA administrative procedures, the notification of intention to surrender was published on the EASA website for public consultation under EASA Certification Information 2025-01 dated 23 January 2025 and disseminated to all ICAO member states.

The Agency will assess the intention to surrender, considering the comments received, and may accept the surrender proposal in accordance with the applicable administrative procedures.
