

*Sunny visited EASA to meet many GA pilots there; to reflect on the year's flying and to identify the main themes and safety topics for 2026. A good pilot never stops learning and 2025 has provided many opportunities for sharing information to develop our flying skills.*

*At the GA Days in Egelsbach, EASA, GAMA and AOPA brought the GA Community together to talk about common challenges such as sharing the airspace, technology and pilot training - learn more by watching these videos from [GAMA](#) and [IAOPA](#) Europe.*

*At AERO, EASA gathered industry and regulators to launch new initiatives on [iConspicuity](#) and [ADS-L](#) to prevent mid air collisions.*

*While at EASA she also took the chance to take a picture with the Agency's Christmas tree and to wish everyone in the GA Community a *Merry Christmas and a healthy and happy 2026 with only safe landings*. She encourages everyone to take a look at [this new video](#) about the EASA Annual Safety Review, a great way to learn from the experiences of others.*
