Francesco-Maria Caridei
ETSO Section Manager

Alexandru Enache
Senior Regulation Officer & Delegated DOA Team Leader

ETSO under DOA

CONTENTS

- Context
- DOA / Design Management System elements
- DOA privileges
- DOA initial investigation
- Questions received before the meeting

Context

Context

Rulemaking task **RMT.0727(4)** -> NPA 2025-11 (18.12.2025)

Two options for **design capability demonstration**:

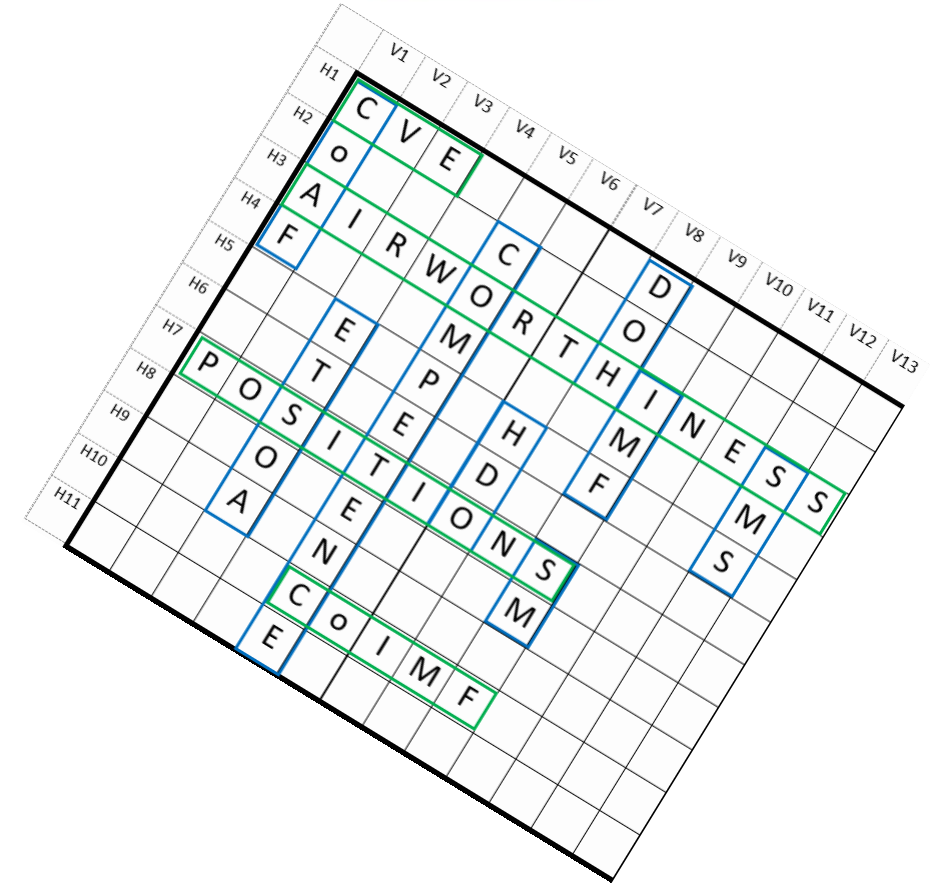

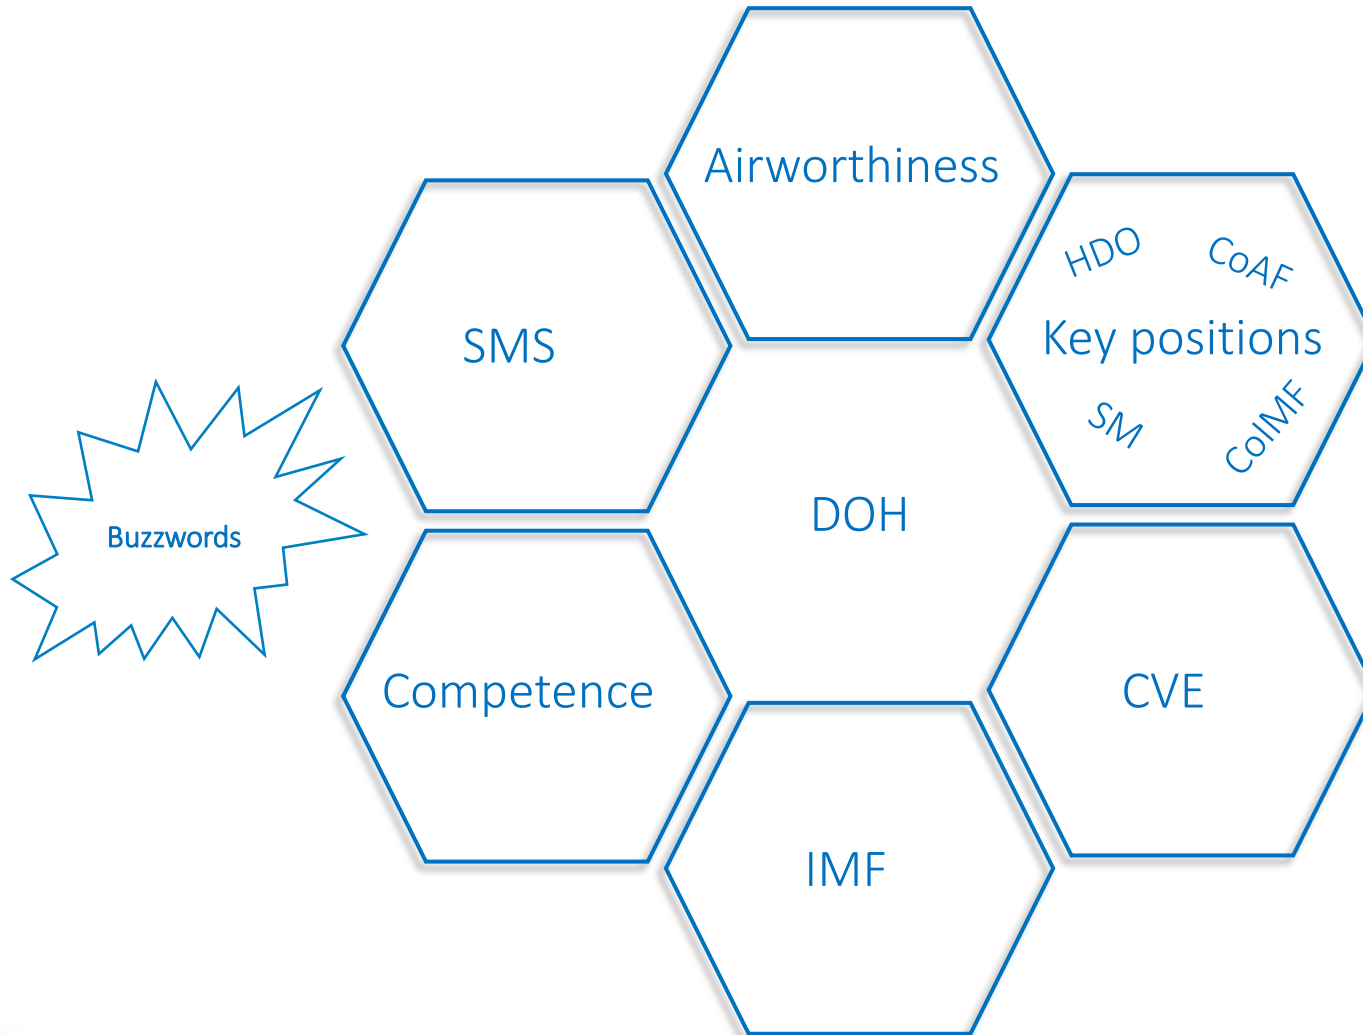

- **DDO** (under new Subpart N)
- **DOA** (under Subpart J)

New DOA privileges related to ETSO:

- **21.A.263(c)10** - to classify changes and approve minor changes to an ETSO authorisation for which they are the holder
- **21.A.263(c)11** - to obtain the approval of certain major changes to an ETSO authorisation for which they are the holder, without further verification by the Agency, when submitting the declaration required under point 21.A.608
