Dear,

It is our pleasure to invite you to our "Cessna SID – Open session", to be held at Jugendherberge Deutz – Siegesstr. 5 – 50679 Cologne in the meeting room Barcelona, on Thursday 13th of March 2014. The meeting will start at 09.30 and end around 17.00h.

Safety Information Bulletin 2014-01 – Cessna-Supplemental (Structural) Inspection Programmes - has been issued to explain EASA's current position concerning the applicability of the structure inspections for Cessna 100 and 200 Series aeroplanes.

This session is to provide further information and discussion on this topic.
The FAA participation is not confirmed yet and if they cannot participate we will adjust the agenda. Cessna have confirmed the participation.

You will find attached the draft agenda of the meeting as well as a location map with nearby restaurants indicated.

Please be aware that, in order to keep the price below the threshold for charging, no refreshments have been organized, you may bring your own or they will be available at the canteen of the Jugendherberge.

Please do not hesitate to submit any further questions you may have to this regard, as this may help to prepare the final agenda. We kindly ask you to forward any questions, as well as the confirmation of your participation, to our functional mailbox generalaviation@easa.europa.eu by 28 February 2014 at the latest, using the attached registration form.

Yours Sincerely,

A. LEROY
