

EUROPEAN AVIATION SAFETY AGENCY
AGENCE EUROPÉENNE DE LA SÉCURITÉ AÉRIENNE
EUROPÄISCHE AGENTUR FÜR FLUGSICHERHEIT

ETSO/TSO team under the COB

Feedback from the survey on
TSO/ETSO validation

Markus Görnemann

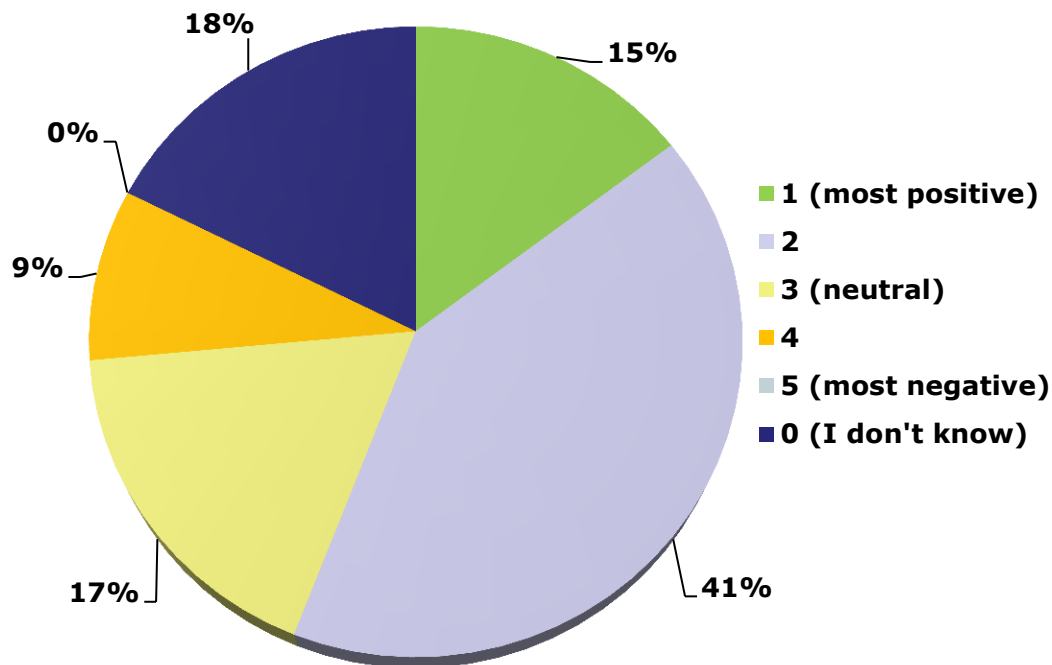

Your safety is our mission.

- Questionnaire sent out on 17/09/2013
- Sent to ~150 individuals/companies
 - 78 in Europe who hold a LODA
 - 66 in the US who hold an ETSOA
- Responses received until end 2013
 - 26 from Europe (33% response rate)
 - 9 from US (13% response rate)

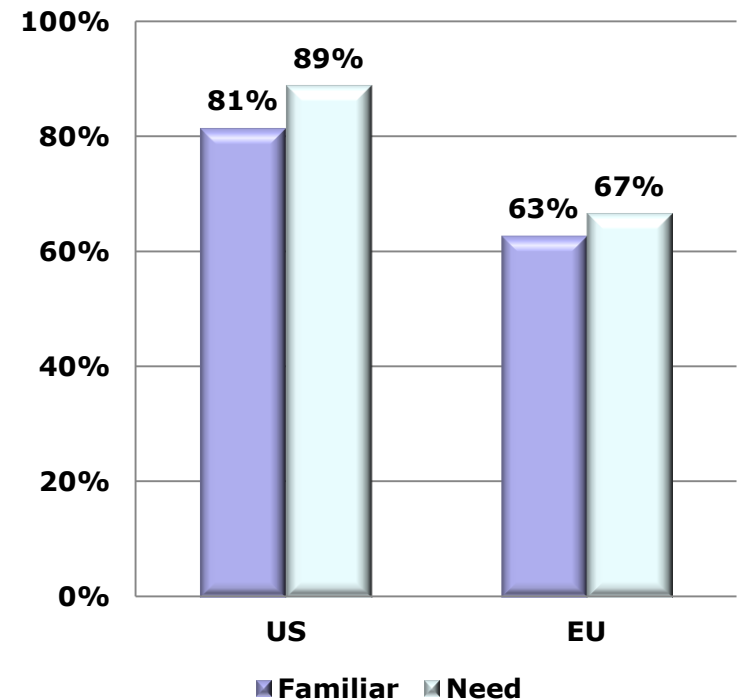

Some general results

Rated Experience from industry

Familiarity versus Need to know

Comments received

- From EU industry
 - Direct contact with Boston ACO
 - Electronic data submittal
 - Status updates of projects
 - Deviation handling
 - Concurrent certification
 - Mutual recognition
 - Minor/Major Change assessment

Comments received

- From US industry
 - Status updates on projects
 - Concurrent certification
 - Mutual recognition of deviations and limitations
 - Focus on safety issues, validation process should be easier
 - Skip FAA involvement as it takes additional time

Next steps

- Evaluate detailed comments
- Prepare proposals for improvement for COB meeting in April
- Initiate TIP changes if necessary
