OSD Workshop

International aspects

- Impact on non-EU applicants & TC holders
- Future enhancement of Bilateral Agreements

Caroline Ruga
Manager of the Certification Policy Section (acting)
21-22 January 2014

Your safety is our mission.

- Impact of new rule on non-EU TC Holder
 - Letter sent in December 2013
 - Impact on Bilateral Agreements
 - No need to develop new Annexes because OSD is an Integral part of the Type Certificate, but
 - Need to enhance Implementing Procedures (TIP)
 - Chapter on OSD validation/automatic acceptance
-  To be confirmed by Bilateral Partners

➤ Next Steps

- Bilateral Partners to map equivalent elements in their regulatory systems
- COB/JSCC to task team for the development of additional TIP provisions
- Deadline 2015

- Main message
 - No show-stopper
 - Sufficient time to adjust TIP
