Example of G650 Suppliers

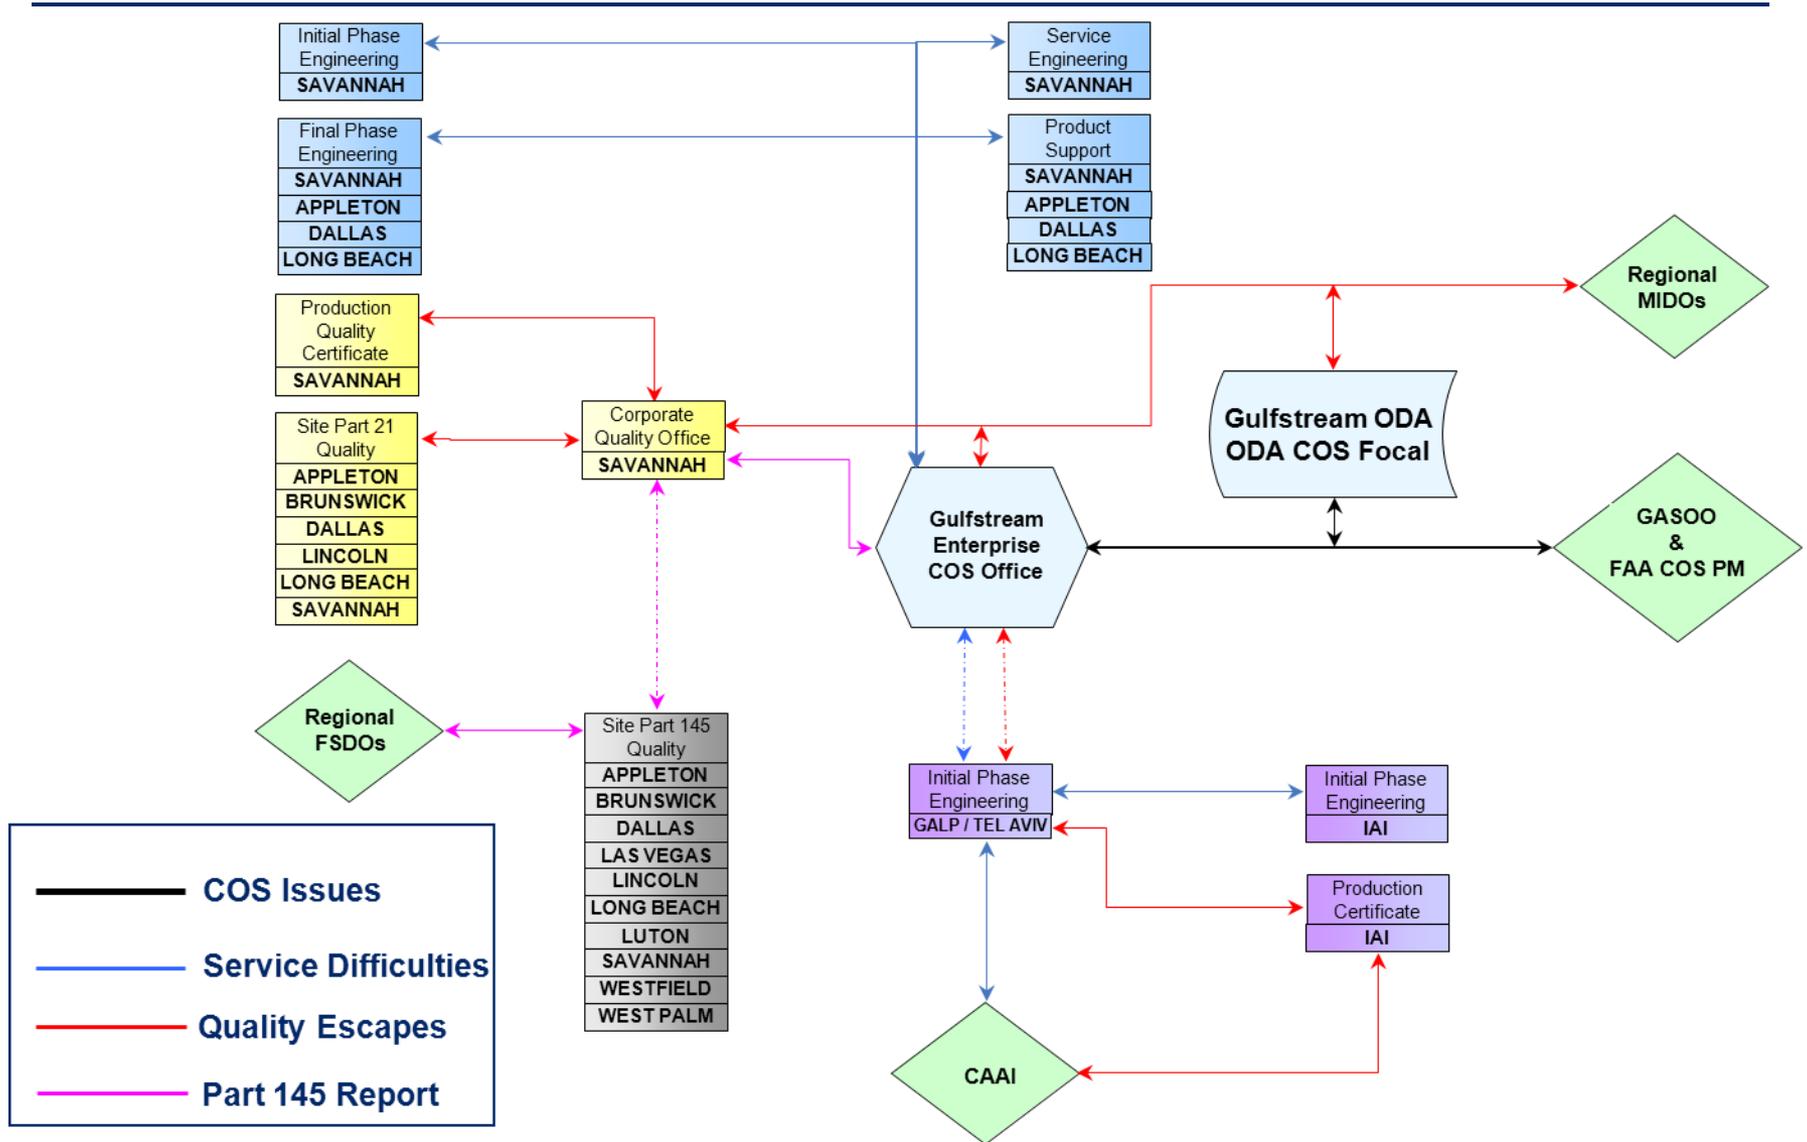

Global Manufacturing & Partnerships

Gulfstream Worldwide Service Network

Gulfstream Enterprise COS Network

Multiple Challenges & Opportunities

- **Integration of Safety Management Systems (SMS) across company sites and supplier network**
- **Coordination of COS issues with multiple Airworthiness Authorities (FAA, CAAI, EASA etc)**
- **Managing a global network of suppliers and their quality systems**
- **Supporting worldwide customer operations at service and parts centers**

**The Need for a Harmonized Regulatory Environment
Couldn't be Greater...**
