06. Code share

1st workshop on the implementation of the
Air Ops Regulation (EU) No 965/2012

19 March 2014

Your safety is our mission.
easa.europa.eu

Introduction

ARO.OPS.105 Code-share agreements

Authority must satisfy itself that third country code-share operator complies with applicable ICAO standards.

AMC2 ARO.OPS.105 competent authority should verify that audits performed by third party provider comply with Part-ORO.

ORO.AOC.115 Code-share agreements

EU operator monitors and regularly assesses third country operator's compliance with applicable ICAO standards.

AMC1 ORO.AOC.115 lists elements that should be included in code-share audit programme & audit intervals.

AMC2 ORO.AOC.115(b) Third party provider for code-share audit may be used, if the third party provider complies with a number of detailed requirements, e.g. independence of the third party provider, qualified staff etc.

Introduction

Topics to be addressed

- **Competent authority procedures to comply with ARO.OPS.105**
- **Operator requirements to monitor if third country code-share operator complies with applicable ICAO standards**
- **Use of third party providers, e.g. IOSA, for initial code-share audit and code-share monitoring.**
