TR-ACES

Main goals of NON-EU DOA WG participants

To be aware of Non-EU DOA harmonized approaches.

To bring Turkish DOA issues to EASA attention.

To actively participate in DOA TT guidelines development.

First Non-EU DOA working group meeting hosted by Turkey\Istanbul in 25-26 May 2011.

Sub-Group TURKEY

Sub-Group TURKEY

Company	ADOA No.	Scope	Approval Date
TURKISH SEAT INDUSTRIES (TSI)	AP388	ETSOA (ETSO C-29 and C-127)	07.07.2015

Future Projections

- ✓ TAI – Turkish Indigenous Helicopter Project
- ✓ SNC-TRJET-STM – Turkish Regional Aircraft Project
- ✓ Local part and equipment suppliers - increased involvement within on going and future projects.
- ✓ Improvement of organizational structures and capabilities of newly involved companies in line with DOA requirements.

Sub-Group TURKEY

Involvement of local Airworthiness Authority

Working Arrangement with EASA and Turkish DGCA, 7 July 2009.

Turkish Aviation Authority (Turkish DGCA introduced DOA (Subpart J) in national law SHY-21 and SHT-21, 25 November 2013

Issues

Need for more effective implementation of Working Arrangement.
