# Accommodation

EASA has negotiated company rates with a number of hotels in Cologne. To facilitate booking, these rates are now bookable via the web based booking platform eHotel. Upon entering your destination and dates, you will immediately see availability and price. Hotels marked with the EASA logo have a negotiated company rate which is lower than the market rate, except during fair and exhibition weeks (\*).

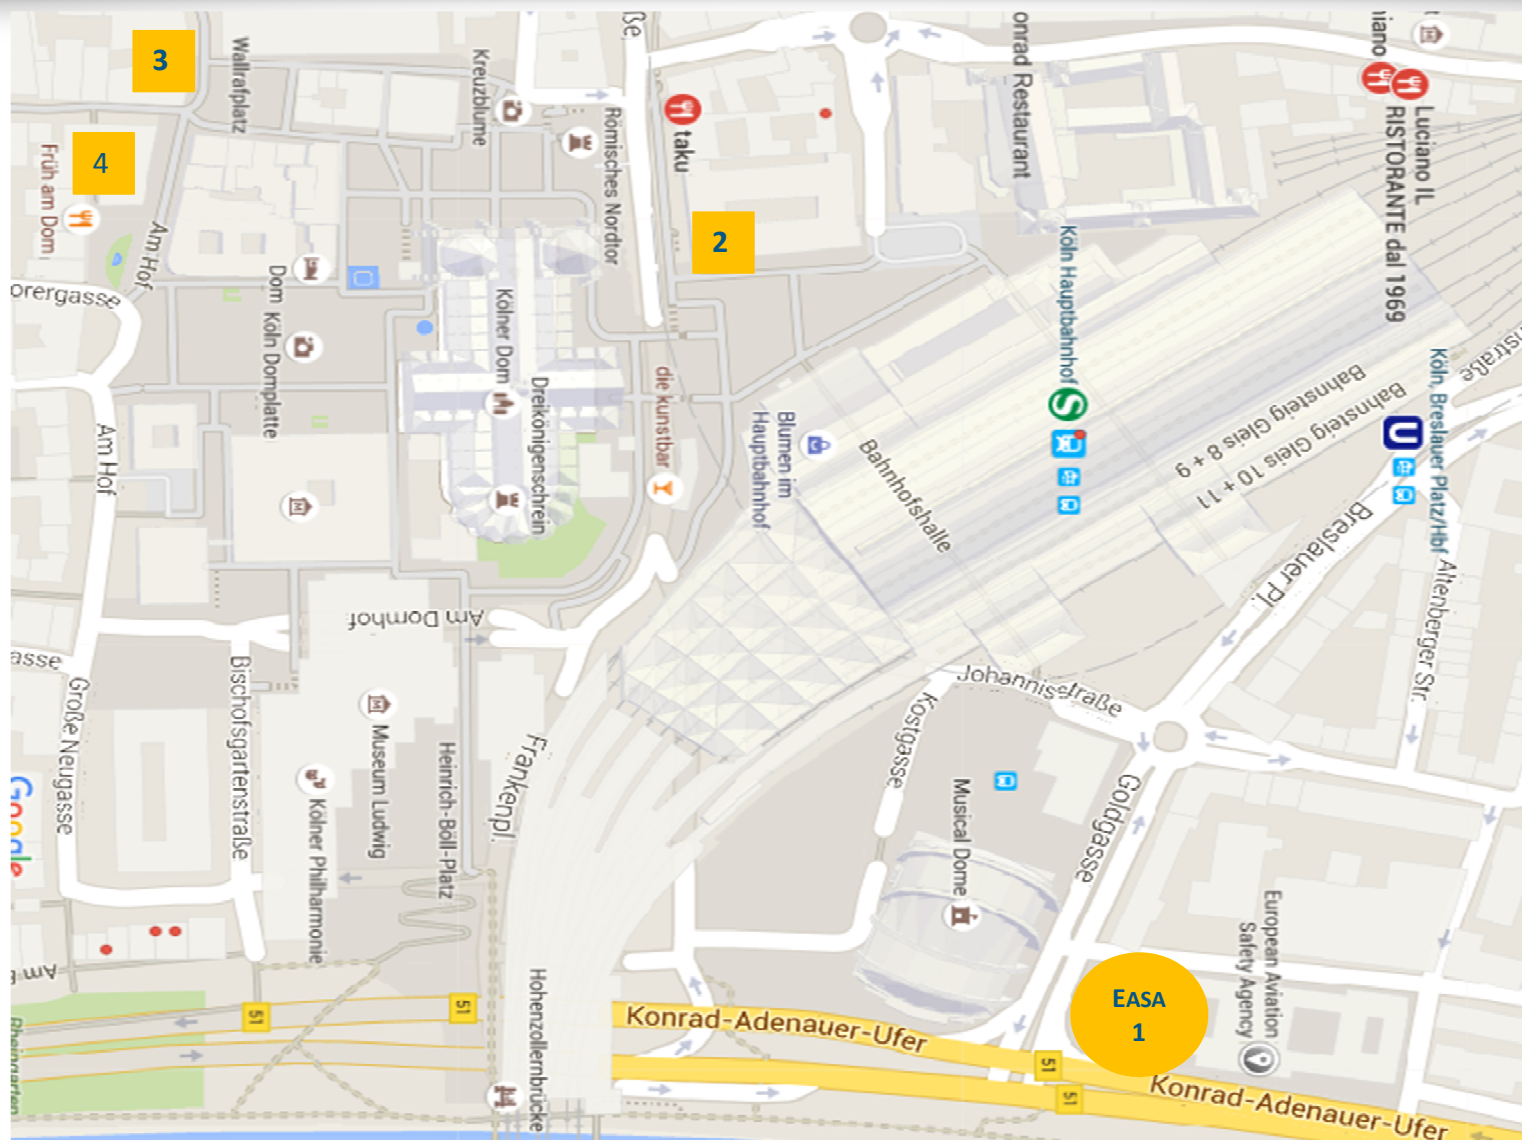

➤ Link to platform eHotel:

(\*) For some period of the year-especially when here are trade fairs and other events, hotel availability is problematic in Cologne, also rate are increased. You can try other cities like Bonn or Dusseldorf; also please consult the Koln-Messe Deutz event calendar on this link: <http://www.koelnmesse.com/Trade-Fairs-and-Events>
