Next EPAS-RMP: 2017-2021

More specific GA safety actions based on risks

- Based on the real life safety issues developed together with stakeholders at this workshop (and in the future with the CAG GA)
- Consulted with Advisory bodies (GA sectorial team)
- Supported by Preliminary Impact Assessment

Next EPAS-RMP: 2017-2021

Types of safety actions in EPAS

- Safety promotion (EASA, MS, SPN)
- Focussed oversight
- Research
- Rulemaking (last resort)

Planning cycle 2017-2021

➤ Next steps

- Add the proposals from this workshop to the draft EPAS 2017-2021
- Consult with advisory bodies
- Adopt programmes before the end of the year

In summary

- the next edition of the Rulemaking Programme and EPAS will be based on
 - The latest work on safety issues and safety risk portfolios
 - more detailed impact analysis
 - consultation with stakeholders (workshop and written consultation)
- TeB-GA SubSSCC (GA sectorial committee) to contribute to the consultations
