## Note to the commenter

Please write your comments as precisely as possible and include a justification. Your comments should reflect the position of the organisation(s) you represent or your own expert position.

You may add as much rows as you need, but please **do not** modify the columns of the table.

Please submit the document as a Word version. You may submit attachments too; the attachments though should be in an editable format.

By providing your comments, you consent to their publication in the comment-response document (CRD). If you do not wish your comments, or parts thereof, to be published, please indicate this.

For any questions you may have, please address them to the AWO Project Team at [AWOproject@easa.europa.eu](mailto:AWOproject@easa.europa.eu).

Please submit your comments per email to [AWOproject@easa.europa.eu](mailto:AWOproject@easa.europa.eu) by **10 December 2016**.
