## Virtual Reality 360 Test - Special Airport Qualification ALF

## Virtual Reality 360 Test - Special Airport Qualification ALF

VR360/B737

## Virtual Reality 360 Test - Special Airport Qualification ALF

## Virtual Reality 360 Test - Special Airport Qualification ALF

Test with 50 CDR upgrade candidates in two groups.

1. ALF circling rwy 29, briefing by instructor.
2. Monitoring of VR360 ALF circling with VR headset.
3. Individual Feedback from the candidates.
4. Selected behaviour markers observed by instructor during LIFUS.

**Explore for next generation training...**

**...if it improves proficiency.**
