| Tuesday 30/10/2018 | CONFERENCE Venue: Hotel Novotel Madrid | |
| 08:00 – 09:00 | REGISTRATION (conference and visits) | |
| 09:00 – 09:10 | WELCOME TO PARTICIPANTS – PRACTICAL CONSIDERATIONS | |
| 09:10 – 10:00 | Opening Remarks <ul style="list-style-type: none"> • Welcome Speech by Mr Pedro Saura, Secretary of State of Infrastructures, Transport and Housing • Mrs Isabel Maestre, AESA Executive Director • Mr Patrick Ky, EASA Executive Director • Mr Lyu Erxue, CAAC Deputy Administrator | |
| 10:00 – 11:00 | Keynote Speeches from Chinese and European companies <ul style="list-style-type: none"> • Mr Ignacio Mataix, Board Member and CEO Defence, Transport, and Air Traffic Control, INDRA • Mr Wang Chengkuan, CEO, Xi'an Aircraft Industrial Corporation • Mr Stefano Bortoli, CEO, ATR • Mr Olivier Andries CEO, Safran Aircraft Engines • Mr Zeng Haijun, VP, AECC Commercial Aircraft Engine • Mr Alberto Gutierrez, COO, Airbus Military Aircraft | |
| 11:00 – 11:30 | NETWORKING COFFEE/TEA BREAK offered by IATA & GROUP PHOTO | |
| 11:30 – 12:30 | Roundtable discussion Moderator: Mr Pekka Henttu, Director General, Traffic Participants <ul style="list-style-type: none"> • Mr Yin Shijun, Chief Engineer, CAAC • Mr Franck Saudo, CEO, Safran Helicopter Engines • Mr Marc Houalla, CEO, Paris-CDG • Mr Rafael Jiménez Hoyos, COO, Iberia • Mr Chai Weixi, VP, Air China | |
| 12:30 – 14:00 | LUNCH BREAK | |
| 14:00 – 15:30 | PANEL 1A: Developments in Aircraft Certification The aviation industry continues to evolve and embrace new concepts such as risk-based oversight and performance-based regulations. These have the potential to | PANEL 1B: Future Trends in Passenger Transport and General Aviation Operations Advances in technology continue to contribute to improve safety and operational efficiency throughout the aviation industry. As the industry evolves with new concepts becoming |

more effectively assess the safety and security of products and services. This is happening at the same time as the introduction of new technologies appears to accelerate across many domains like propulsion, autonomous transport and advanced manufacturing. In this session, panelists will explore how these trends will influence each other looking forward and how regulators and industry may cooperate to deliver on the promises of these.

Moderator: Mrs Yang Zhenmei, DDG Aircraft Airworthiness Department, CAAC

Panelists

- Mr Trevor Woods, Certification Director, EASA
- Mr Zhang Qingchun, DDG of Department of Policies and Regulations, CAAC
- Mr Didier Robin, Vice President of Airworthiness and Certification, Airbus
- Mr Shen Xiaoming, DG of Airworthiness Certification Center, CAAC
- Mrs Belinda Swain, Head of Airworthiness, Rolls-Royce
- Ms Wang Jingling, Counsel, Quality, Airworthiness and Safety Department, COMAC
- Mr Li Tongbin, Executive Vice President, China Southern Airlines

mainstream, new operational challenges are starting to emerge which must be addressed. This panel will address the opportunities and challenges being created by aviation's latest technology advances in the field of flight operations both in the fields of large passenger aircraft and in the area of general aviation.

Moderator: Mr Claudio Trevisan, Head of Air Operations Department, EASA

Panelists

- Mr Eduard Ciofu, Air Operations Standards Section Manager, EASA
- Ms Shang Kejia, Director of International Transport Division, Transport Department, CAAC
- Mr Jaakko Schildt, COO, SVP Operations, Finnair
- Mr Ignacio Gallego Alemany, EBT Project Leader, Iberia
- Mr Jiang Jiang, SVP, China Eastern Airlines
- Mr Liu Qihong, Chairman, Loong Airlines
- Mr Xiong Yifang, Co-founder, Ehang

15:30 – 16:00 **NETWORKING COFFEE/TEA BREAK**

16:00 – 17:30

PANEL 2A: Airports and Air Traffic Management

This panel will review the most recent innovations, trends, and concerns as well as challenges encountered in the fields of Airport and Air Traffic Management, providing unparalleled insight into key issues in the industry in Europe and China. Panelists will discuss recent developments and explore potential new ways of cooperation in the field of ATM and airport management. The audience will also get a look into the growth and challenges of autonomous operations in ATM and discuss how the industry is adapting and contributing to these developments.

Moderator: Mr Michael Standar, Chief Strategy & External Affairs, SESAR JU

Panelists

- Mr Gonzalo Gavin, Managing Director Air Traffic Management, Indra
- Mr Giancarlo Buono, Director Safety and Flight Operations for Europe, IATA
- Mr Hui Jinyou, Senior Officer, Safety Management Division, ATMB CAAC
- Mr Wang Jun, Senior Officer, ATC Division, ATMB, CAAC
- Mr Zhang Rui, Deputy Director General, Airport Department, CAAC
- Mr Lionel Bernard-Peyre, ATM Business Development, Thales
- Mr Chen Ye, Chief Operating Officer, Shenzhen Baoan International Airport

PANEL 2B: Developments in Aviation Safety and Security

The adoption of new technologies has proven key to the progress of aviation for many years. This panel will explore the way these are contributing to two areas of the industry, namely safety and security. Data-driven decision and recent advances in machine learning together with progress achieved in aviation ground systems have attracted a renewed attention on how they may contribute to aviation safety. This at the same time as the industry continues to evolve to deal with new security threat and new strategies and regulatory frameworks are being developed. In this session, panelists will address how the industry is keeping up with the pace of today's progress in these areas and explore the possible developments in the future to ensure a secure environment for aviation as well as resilient civil aviation system.

Moderator CAAC: Mr Li Tong, DDG of Aviation Security Bureau, CAAC

Panelists

- Mr Juan Anton, EASA, Cybersecurity in Aviation and Emerging Risks Section Manager
- Mr Mario Rodriguez, Head of Unit, Aviation Security, AESA
- Mr Sergio Fernandez, Regional Director Airports, Passenger, Cargo and Security, IATA Europe
- Mr Tao Runwen, VP, Xinjiang Airport (Group) Co., Ltd
- Mr Chai Jingsong, Deputy Director of Safety & Service Management Department, Kunming Changshui International Airport Co., Ltd.
- Mr Peng Hua, VP, Nuctech Company Limited

- Mr Yao Hongyu, Vice President,
China Academy of Civil Aviation
