

# Challenges drafting CBTA regulation

Marcus Oswaldson

Swedish Transport Agency

CBTA is...  
not the same as crediting

# Challenges

- How to bring important experience in to a new system?

# Challenges

- How to bring important experience in to a new system?
- **Sub-standard training should not be cheaper!**

# Challenges

- How to bring important experience in to a new system?
- Sub-standard training should not be cheaper!
- Prerequisites?

# Challenges

- How to bring important experience in to a new system?
- Sub-standard training should not be cheaper!
- Prerequisites?
- Legal grounds for NAA to handle ATOs and training programs that are not delivering competent pilots

# Challenges

- How to bring important experience in to a new system?
- Sub-standard training should not be cheaper!
- Prerequisites?
- Legal grounds for NAA to handle ATOs and training programs that are not delivering competent pilots
- Examination, and role of the examiner?

# Licensing & Oversight

Regulation on Competency Based Training and Assessment must include means to enable licensing and oversight.

# Thank you!
