Presentations - 7th EASA International Cooperation Forum

Description

Date

10/09/2019 - 12/09/2019

Location

Falkensteiner Hotel Montenegro, Budva, Montenegro

Description

The 7th EASA International Cooperation Forum (ICF7) is an exclusive conference for aviation authorities and regional organisations alike who have adopted or who are interested in EASA rules and the regional approach. It provides an opportunity for these partners to speak directly with each other on upcoming developments and shared challenges.

ICF7 will cover a broad spectrum of topics on high-level issues such as emerging risks and opportunities in aviation, meeting the environmental challenges, pushing the boundaries of ATM and regional cooperation success stories. It will build upon the experience gained since the first such event in 2008 and the close cooperation developed between EASA and its partners worldwide.

Registration

Participation at ICF7 is limited to states and Regional Safety Oversight Organisations (RSOOs). If you are interested in participating, please send an e-mail to easa-forum [at] easa.europa.eu (easa-forum[at]easa[dot]europa[dot]eu).
