Description

Date & time

18/12/2019, 10:00 - 17:00

Description

To date, EASA has arranged two dedicated workshops on Part 21 Light, where initial concepts were introduced, openly discussed and feedback to EASA given. EASA has arranged the third workshop. Latest concept developments can be found on the dedicated [Part 21 Light website page \(downloads\)](#).

Registration

The workshop is addressed to members of the EASA Advisory Bodies, representatives of the industry and of interest groups actively involved in the design and production of GA aircraft and components.

Attendance at this workshop is by invitation only and requires advance registration. If you consider yourself part of the target audience and have not received an invitation, please contact: CT5-workshops [at] easa.europa.eu (CT5-

workshops[at]easa[dot]europa[dot]eu).
