

FAQs:

[Lithium Batteries, Supplemental Type Certificates](#)

Question:

How do we control the Lithium batteries in all smart phones and other devices?

Answer:

Portable Electronic Devices are regulated by operational rules. Please refer to: <https://ad.easa.europa.eu/ad/2017-04R1>. More info can be found here: <https://www.iata.org/whatwedo/cargo/dgr/Documents/passenger-lithium-bat...>
