

European Union Aviation Safety Agency

## **FAQ n.104970**

### **FAQs:**

[Lithium Batteries, Supplemental Type Certificates](#)

### **Question:**

**Will EASA issue an Airworthiness Directive to replace all Emergency Locator Transmitters and Underwater Locator Devices currently installed, if TSO/ ETSO standards are not acceptable to EASA?**

### **Answer:**

No action/initiative (in coordination with FAA) was taken so far.
