

Cancelled - Flight and cabin crew alcohol testing procedures for ramp inspections

Date:**27 Mar 2020**

Description

Cancelled - Flight and cabin crew alcohol testing procedures for ramp inspections

In light of the evolving situation with the Coronavirus COVID-19 and the efforts that EASA is taking to prevent and contain the spread, the workshop on Flight and cabin crew alcohol testing procedures for ramp inspections planned to take place 27/03/2020, has been cancelled.

In the event that a new date will be scheduled for the workshop, we will publish this on our website accordingly. If you already enrolled and are unable to attend on the new date, or the workshop does not in fact take place, any event fees already paid to EASA will be reimbursed.

Please contact the event organiser if you have any questions.

We apologise for the inconvenience caused.
