

**FAQs:**

[Registration requirements](#), [Provisions applicable to both 'open' and 'specific' category](#), [Drones \(UAS\)](#), [Regulations](#)

**Question:**

**What happens once I register?**

**Answer:**

Once registered, you receive a '**drone operator registration number**' that needs to be **displayed** with a sticker **on all the drones you own, including those privately built**. You must also, **upload it** into the '**Drone's remote identification system**'.

*Regulatory reference: article 14 EU regulation 2019/947.*
