European Union Aviation Safety Agency

FAQ n.116455

FAQs:

Registration requirements, Provisions applicable to both ‘open’ and ’specific’ category, Drones (UAS), Regulations

Question:

What happens once I register?

Answer:

Once registered, you receive a ‘**drone operator registration number**’ that needs to be **displayed** with a sticker **on all the drones you own, including those privately built** You must also, **upload it** into the ‘Drone’s **remote identification system**’.

Regulatory reference: article 14 EU regulation 2019/947.
