

Workshop on the BASA EU-China and the related TIP (Technical Implementation Procedures)

Virtual Event via Webex

Event Type: Workshop

Date:

13 Nov 2020

Description

Date & time

13/11/2020, 09:00 - 13:00 (UTC+1)

Description

This workshop will present the content of the BASA between EASA and China, and its Annex 1 on Airworthiness. It will also detail the TIP explaining the three different validation process: automatic acceptance, streamlined validation and validation with level of involvement principles.

Registration

Free access for all participants. Register now, and we will send you a Webex meeting invitation soon.

We look forward to meeting you online soon.
