### Question:

**How to unsubscribe from the EASA website email and/or push notifications?**

### Answer:

Follow the steps below to unsubscribe:

1. [Login to your account](#)
2. Click on your name on the top right and select “Manage personalisation settings”
3. Afterwards click “Disable all email notifications” and/or “Disable all push notifications”

## Manage personalisation settings

Categories of your interest and decide if you want to receive an **email** and/or **notification**. You can decide if we send you an **immediate** notification when we have published an update or **monthly** email digest.

FREQUENCY

A screenshot of the notification settings interface. It shows a dropdown menu for frequency, and two buttons: "Disable all Push notifications" and "Disable all Email notifications". Two large blue arrows point from the text above to these two buttons.
