FAQ n.120757

FAQs:

[Website](#)

Question:

How to unsubscribe from the EASA website email and/or push notifications?

Answer:

Follow the steps below to unsubscribe:

1. [Login to your account](#)
2. Click on your name on the top right and select “Manage personalisation settings”
3. Afterwards click “Disable all email notifications” and/or “Disable all push notifications”

Manage personalisation settings

Categories of your interest and decide if you want to receive an **email** and/or **notification**. You can decide if we send you an **immediate** notification when we have published an update or **monthly** email digest.

FREQUENCY

A screenshot of the EASA website's personalisation settings interface. It shows a dropdown menu for 'FREQUENCY' on the left. To its right are two buttons: 'Disable all Push notifications' and 'Disable all Email notifications'. Two large blue arrows point from the text above to these two buttons. The text above the buttons reads: 'Categories of your interest and decide if you want to receive an email and/or notification. You can decide if we send you an immediate notification when we have published an update or monthly email digest.'

In case you want to delete your account please visit our FAQ: [How to delete your EASA account for the website and community network?](#)
