

**FAQs:**

[EASA 'Early Certificates' for UK organisations: common issues, Brexit](#)

**Question:**

**e) A Type Training has started in my Organisation under the UK CAA Part-147 approval before 1 January 2021 and will be completed after that date. Is it possible for my Organisation to issue a Certificate of Recognition (CoR) for such training after December 31, 2020, under the Part-147 approval issued by EASA?**

**Answer:**

No, it is not possible. A training cannot be initiated under a UK Part-147 approval, which loses its recognition in the EASA Member States on January 1, 2021 and then completed under a Part-147 approval issued by EASA.
