European Union Aviation Safety Agency

FAQ n.127777

FAQs:

Additional Airworthiness specifications, Regulations

Question:

Regulation (EU) 2021/699 introduced point 21.A.101(h) that refers, among others, to point 26.320 of Regulation (EU) 2015/640 but this point is not present in the said regulation. Could you please clarify?

Answer:

The reference to point 26.320 is an oversight and it will be deleted at the first opportunity.
