Question:

How to delete your EASA account for the website and community network?

Answer:

To delete your EASA Website and Community network account please follow the steps below:

1. Login to your account
2. Click on your name on the top right and select 'My account'.
3. At the bottom click 'Delete your account'
4. Click 'Send email to confirm EASA account deletion'.
5. You will now receive an email to verify your request. Please follow the instructions in the email.

*Please be aware that the deletion of your EASA account will also **delete your membership of any EASA community network** you might have joined.*

In case you still want to keep your account but want to receive less email/push notifications from the website please visit our FAQ: How to unsubscribe from the EASA website email and/or push notifications?
