Question:

How to delete your EASA account for the website and community network?

Answer:

To delete your EASA Website and <u>Community network</u> account please follow the steps below:

- 1. Login to your account
- 2. Click on your name on the top right and select 'My account'.
- 3. At the bottom click 'Delete your account'
- 4. Click 'Send email to confirm EASA account deletion'.
- 5. You will now receive an email to verify your request. Please follow the instructions in the email.

Please be aware that the deletion of your EASA account will also **delete your membership of any EASA community network** you might have joined.

In case you still want to keep your account but want to receive less email/push notifications from the website please visit our FAQ: <u>How to unsubscribe from the</u> EASA website email and/or push notifications?
