

FAQs:

[Model aircraft](#) , [Drones \(UAS\)](#), [Regulations](#)

Question:

Does the new EU Regulation on drones also apply to model aircraft?

Answer:

Yes, the [EU Regulation on drones](#) applies also to model aircraft. However, model aircraft are not the main ‘target’ of the new rules. EASA is aware that aeromodelling is a hobby that has been practised for almost a century by many pilots throughout Europe, with an excellent safety record. EASA is also aware that it’s a hobby that has always been important for the development of aviation technology and attracts young people to aviation-related professions.
