

## **FAQ n.132523**

### **FAQs:**

[Lithium batteries \(Non-rechargeable\), Supplemental Type Certificates](#)

### **Question:**

**What is the EASA approach for non-rechargeable lithium batteries (NRLB) installation on aircraft types other than CS-25?**

### **Answer:**

The same policy is currently applicable to CS-25 aircraft types applies also to CS-29 aircraft types. The approach to be used for CS-23 and CS-27 aircraft types still under discussion.
