European Union Aviation Safety Agency

2022 FAA-EASA International Aviation Safety Conference

Uniting Efforts to Overcome Aviation Safety Challenges

AIA, GAMA and co-organised with the

Organised by: FAA

Event Type: Conference

Date:

14 Jun 2022 to **16 Jun 2022**

Location

Capital Hilton, Washington D.C.

Description

The Federal Aviation Administration (FAA) and the European Union Aviation Safety Agency (EASA) are joining forces to advance aviation safety through global leadership at the 2022 International Aviation Safety Conference in Washington, D.C., June 14-16, 2022.

The conference brings together regulators, aerospace industry representatives, and other stakeholders from around the world to share aviation safety information, address current areas of mutual concern, and identify future collaborative opportunities with the global community.
