Question:

Is it allowed to issue a Part-FCL licence on the basis of a Russian licence (i.e. conversion)? Is there a difference if a person is a Russian citizen or not? If not, what to do with persons who have already started the process?

Answer:

Such licence issue would necessitate some training, testing and checking, which may be permitted, see [dedicated FAQ](#). However, competent authorities are reminded that licence conversion may necessitate contacting the Russian licensing authorities, which is currently not feasible.
