European Union Aviation Safety Agency

FAQ n.136768

FAQs:

Basic Regulation, Regulations

Question:

Under which provisions of the EASA Basic Regulation (Regulation (EU) 2018/1139) is a reallocation of responsibility between a Member State (MS) and EASA possible?

Answer:

Two articles allows such reallocation of responsibility:

- Article 64: Reallocation upon request of MS, and
- Article 65: Reallocation upon request of organisations operating in more than one MS.
