Question:

Are EU sanctions also applicable to pilot training, testing and checking for aircraft listed in Annex I to Regulation (EU) 2018/1139 ('EASA Basic Regulation'), such as microlights?

Answer:

Yes. Since the scope of the Sanctions Regulations is much broader than that of the EASA Basic Regulation, the Sanctions Regulations apply to pilot training, testing and checking for all types of aircraft, even if they do not fall within the scope of the common EU aviation safety legislation.
