European Union Aviation Safety Agency

FAQ n.136914

FAQs:

Aircraft operations — Restrictive measures Russia, EU restrictive measures against Russia

Question:

Why do the restrictive measures not include a general ban on an air carrier established in the European Union (an aircraft operator certificate (AOC) holder) from operating aircraft that would fall within the scope of Article 3d(1) of Regulation (EU) No 833/2014 for flights outside the European Union?

Answer:

The measures are designed to affect flights into/from/over the EU territory.
