Description

An EASA Workshop on the new Conformity assessment framework for ATM/ANS systems and ATM/ANS constituents is a unique forum to discuss the latest developments for ATM/ANS equipment manufacturers, ANS providers and their competent authorities in ensuring safety

and interoperability of the European Air Traffic Management network (EATMN). This event is an opportunity for sharing and exchanging views towards the finalisation of the new EU regulatory framework. It will take place on 16 December 2022 at EASA Headquarters in Cologne, Germany in a hybrid format.
