Description

EASA is organising three events in October 2023, in relation with Design and Production (Part 21) developments:

1. On **October 24**, the **EASA Certification Conference 2023** will be held at the Flora-Köln
Capacity for external participants: 320 pax.
This session will be recorded and made available on EASA YouTube channel thereafter.

2. On **October 25**, a workshop on **SMS for Design and Production organisations** will be held in EASA premises .
Capacity for external participants: 230 pax.
This event will be live-streamed on our EASA YouTube channel and will remain available thereafter.

3. On **October 26**, a **Part 21 Implementation Workshop** will be held in EASA premises
Capacity for external participants: 110 pax.
This event will not be recorded but the presentations will be made available under 'Event Materials' below on this event page.
