Description

The EASA Fuel Rules under Rulemaking Task (RMT).0573 were published on 25 March 25 2022 (ED Decision 2022/005/R providing the Acceptable Means of Compliance and Guidance Material (AMC and GM) to Regulation (EU) 2021/1296).

The First Webinar on Fuel Management Rules was held on 22 July 2022. This 4th Fuel Management Webinar aims to help operators with implementing the EASA Fuel Rules and will specifically focus on:

- ReFuel EU aviation regulation,
- explanation of the fuel manual, and
- statistical contingency fuel.

You can submit your questions before the event via Sli.do, using 'Fuel4' as code and 'mn4kse' as passcode.
