European Union Aviation Safety Agency

FAQ n.139825

FAQs:

Scope/Applicability, Air Traffic Management / Air Navigation Services (ATM/ANS) ground equipment, Regulations

Question:

Where is compliance with the essential requirements documented in the first place?

Answer:

Compliance with the essential requirements is demonstrated when the equipment demonstrates compliance with the detailed specifications (DSs) applicable to the equipment category. There is no requirement on where compliance with the essential requirements is explicitly recorded.
