European Union Aviation Safety Agency

MODEL-SI — Final dissemination event

Online

Organised by: EASA

Date:

12 Nov 2024

12/11/2024, 14:00 - 16:30 CET (UTC +1)

Description

The MODEL-SI project is concluding its research on Modeling and Simulation of digital twin eVTOL and EASA invites you to join the final dissemination event, organised in collaboration with Zürcher Hochschule für Angewandte Wissenschaft (ZHAW)

The project is funded by the European Union's Horizon Europe Research and innovation programme, managed by the European Union Aviation Safety Agency (EASA) and implemented by the Zurich University of Applied Science (ZHAW). The main objective of this research was to evaluate the potential and the concrete challenges of advanced modelling and simulation and to better support complex aircraft development, certification and continued airworthiness.

Information on the project can be found on the MODEL-SI project page.

Agenda

- Welcome by EASA
- Overview of research scope and objectives
  - Project implementation and structure
  - Stakeholder engagement
  - Key results
  - Identified limitations and proposed solutions
- Q&A session
