EASA Artificial Intelligence Days 2025 — PPT presentations

Description

The EASA Artificial Intelligence (AI) Days are back!

We have now opened registration to join the event online. Please check below for details. Registration to join us in person on August 27 and 28 at the EASA premises in Cologne has closed as we were fully booked.

The Conference will include among others:

- workshops on Rulemaking Task RMT.0742 on AI trustworthiness;
- presentations on AI assurance,
- presentations on human factors and ethics in AI; and
- discussion panels about human oversight over level 3 AI and AI-based operational tools.

Representatives from Boeing, Lufthansa, SESAR3, JARVIS, DARWIN and many more will join the Conference, so do not miss out on this unique opportunity.

Registration

Registration to attend in presence in EASA has now closed.

For those who have already registered to attend in presence, please join us for a welcome drink on the August 26 from 19:00 in the Marriott Hotel Cologne (Johannisstraße 76-80, 50668 Köln – 2 minutes walking distance from EASA premises). The evening dinner on August 27 will take place from 19:00 in the Ex-Vertretung restaurant (Frankenwerft 31-33, 50667 Köln – 10 minutes walking distance from EASA along the Rhine river).

Both events are included in the attendance fee. Please bring proof of identity or your conference badge.

You can however register for online attendance.

Webex Registration

Please register for the days you would like to attend online. Once approved you will receive invitations with instructions on how to join each day. Until August 22, priority will be given to organisations within the EASA Member States.
