Description

This operational safety online event is part of the Summer Safety Campaign 2025 of the European Union Aviation Safety Agency (EASA).

Join EASA, DGAC France (the French Civil Aviation Authority), Airbus, Lufthansa, Iberia, Austrian Airlines, and EasyJet, to discuss the key aspects of required navigation performance (RNP) visual with prescribed track (VPT) path tracking. The Webinar will focus on the practical implementation and oversight of this novel technological innovation that will enhance the conduct of circle-to-land operations and of visual approaches.
