FAQ n.142102

FAQs:

English Language Proficiency, Aerodromes (ADR), Regulations

Question:

Why is there a deferred applicability of English language proficiency?

Answer:

As the implementation of the language proficiency in the English language and any other language used at the aerodrome for communication with air traffic services (ATS) requires preparation, training, and qualification, a transition period has been granted at the time of the adoption of Regulation (EU) 2020/2148 (6 years for the English language and 3 years for other languages).
