European Union Aviation Safety Agency

FAQ n.142955

FAQs:

C.5 - Third Country Operators (TCO), C - Fees for the Approval of Organisations, Fees & Charges — FAQ

Question:

C.5.10 – Are there any other EASA fees related to TCO?

Answer:

When further TCO assessment is justified during the initial TCO application or during TCO monitoring, according to the criteria set out in the Part-TCO regulation and following the established risk-based approach, EASA may decide to perform further assessment, invite operators to technical meetings (at EASA headquarters, remote or hybrid) or conduct an on-site audit to a TCO.

The above activities are subject to fees as outlined in Table 7B of Annex I – Part I of (EU) 2025/2347.

These fees are due in addition to the initial TCO authorisation fee or the TCO monitoring fee, as applicable. Travel costs for on-site visits will be charged on top of the respective flat fee.

Note that fees are subject to annual indexation as described in (EU) 2025/2347 Article 3 (5).
