Description

[AERO](#), the world's leading trade show for General Aviation (GA), is approaching and promises to be an exciting event once again. This year AERO will take place from 22 to 25 April 2026 in Friedrichshafen, and the European Union Aviation Safety Agency (EASA) will continue to play an active role in this unique show.

Come and visit our new **EASA stand at AERO 2026 Friedrichshafen in Hall A5 at stand A5-300** from Wednesday, 22 April to Friday, 24 April (09:00-17:00) and on Saturday, 25 April (09:00-16:00). You will have the possibility to meet several EASA experts ready to answer your questions. Here below, you have the precise information on the availability of experts on-site:

Expertise

Aircraft certification

Propulsion systems

Days of presence

22 - 25 April

22 - 23 April (morning)

Avionics	22 (afternoon) - 24 April
Design Organisations	22 - 24 April (morning)
Air operations	22 - 24 April
Flight crew licensing and training	22 to 24 April
Technical licensing and maintenance	22 (afternoon) - 24 April (morning)
Continued airworthiness and maintenance	22 (afternoon) - 24 April (morning)
Airspace matters, <i>Conspicuity</i> , ADS-L	22 - 24 April (morning)
Rules simplification	22 - 24 April (morning)
Medical	TBC
Safety intelligence and safety risk management	22 - 24 April
Cybersecurity/security management	23 - 24 April
Drones	22 - 24 April (morning)
Applicants' services and support, fees and charges	22 - 25 April
Communications	22 - 23 April (morning)
Recruitment	24 - 25 April

Further EASA's activities at AERO:

- **EASA GA Conference focusing on “Exploring simpler rules for safer GA”** takes place on **Thursday, 23 April at 14:00** at the AERO Conference Stage Foyer East. Entry is free and all are welcome to attend and discuss this important topic. We will present the ongoing initiatives targeting a substantial reduction in administrative burdens for small and medium-sized enterprises over the next few years, with the aim of improving the competitiveness of the GA industry. Furthermore, alongside other national and international regulators, we will discuss from different perspectives the advantages and disadvantages of using declarations in general aviation today as an alternative to prior approvals. The Agenda will be published soon. Stay tuned!
- **EASA information session with FAA on Wednesday, 22 April at 10:30** at the Conference Centre East, meeting room Oslo. Entry is possible upon registration (see below to register on-line). This joint session is intended for aircraft and avionics manufacturers, including those that are subject to national regulations. The FAA will provide a briefing on the recently adopted MOSAIC initiative. EASA will give a presentation about *Conspicuity* concept and on integrating ADS-L technology into new aircraft and avionics systems to help pilots prevent

collisions.

- **;*Conspicuity* and ADS-L.** Meet us and other partners at the booth or dedicated events to learn more about our collaboration on the prevention of mid-air collisions.
 - EASA information session on Wednesday 22 April at 10:30 (further details above).
 - [ADS-L Coalition](#) will meet on Friday, 24 April at 14:00 to discuss how *Conspicuity* for GA via ADS-L technology, which is compatible with the U-Space airspace mandate, enables affordable "Be Seen and Be Aware" for everyone, anywhere. This event is invitation-only for members.

- **AERO Career Days & EASA**

The [AERO Career Days](#) will take place **on Friday 24 and Saturday 25, April**, in the Passage East as part of AERO Friedrichshafen 2026. Come and learn more about exciting careers in aviation at EASA.

Join the [EASA GA Community](#), check out our [Sunny Swift](#) safety cartoons and meet us in Friedrichshafen!

Agenda

The full agenda will be published soon. Don't miss it!

Registration

For the **EASA information session with FAA on Wednesday, 22 April at 10:30** please register here:

([safetypromotion\[at\]easa\[dot\]europa\[dot\]eu](mailto:safetypromotion@easa.europa.eu))

Accessibility for All

At EASA, we are committed to ensuring that all guests and visitors feel welcome.

Our facilities are equipped to accommodate individuals with reduced mobility, and our facilities team is ready to provide assistance wherever possible to ensure a smooth and comfortable visit.

*If you plan to attend an EASA event - whether at our main building, one of our offices, or an external venue where EASA is represented — and **you have specific accessibility requirements**, please let us know in advance by email to: [eventplanner \[at\] easa.europa.eu](mailto:eventplanner@easa.europa.eu) ([eventplanner\[at\]easa\[dot\]europa\[dot\]eu](mailto:eventplanner@easa.europa.eu)). This will help us make the necessary arrangements to ensure your participation.*
