IMRBPB 2026 Additional Logistical Information

Description

The IMRBPB aims at developing higher maintenance standards and improving safety in maintenance aspects. It allows harmonization between authorities and ensures a common approach.

At the IMRBPB Annual Meeting 2026, various improvements are to be agreed, among others:

- the update of the International Maintenance Process Standard (IMPS) document;
- the Maintenance Programme Development tool MSG-3; and
- associated Maintenance Review Board / Maintenance Type Board processes
