Description

13.10.2026 Last Update: Event materials (presentations and recordings) uploaded

The **Part-IS Workshop 2026** took place on **7- 8 October 2026** at the **EASA premises**.

The workshop brought together aviation stakeholders to reflect on experiences gained so far with the implementation of Part-IS and to discuss the next steps. It covered lessons learned from both **complex and non-complex organisations**, highlighted **common implementation challenges and potential solutions**, and presented **available guidelines** to support aviation organisations and competent authorities.
