### Description

The **Part-IS Workshop 2026** will take place on **7 - 8 October 2026** at the **EASA premises**.

The workshop will bring together aviation stakeholders to reflect on experience gained so far with the implementation of Part-IS and to discuss the next steps. It will cover lessons learned from both **complex and non-complex organisations**, highlight **common implementation challenges and potential solutions**, and present **available guidelines** to support aviation organisations and competent authorities.

**Registration will open in June 2026.**

More information will follow in due course.
